

## Announcement

The High Commission has been compelled to yet again postpone the consular camp in Melbourne scheduled to be held on 13-14 February 2021.

Reappearance of active cases in Melbourne has created additional approval requirements which cannot be secured within a day. Risks associated with active cases may also lead to quarantine requirements for the consular officers upon return from Melbourne.

The High Commission deeply regrets the inconvenience caused by this postponement.

The High Commission seeks to reschedule the consular camp around 27-28 February 2021 provided COVID situation allows and logistical arrangements are made.
